STATE CONVENTION

Of Sunday-School Workers at New-
port a Great Meeting—"Mays-
ville in 1910"

The Forty-third Annual Convention of the
Kentucky State Sunday-school Association held
last week in Newport was one of the best in
the history of the Association and the best for
many years in the character of the delegates
present, in the high spiritual tone and the large
enrollment.

There were between seven and eight hundred
Sunday-school workers enrolled. At least five
hundred of these were outside of Campbell and
Kenton counties.

There were between thirty and forty people
present from Mason county alone.

Out of 119 counties Mason stood fourth in
the amount contributed to State Work this
year.

An offering of over eleven hundred dollars
was taken during the convention.

Kentucky is considered one of the best or-
ganized States in the Union, if not the best,
and Mason county is fast forging to the front
in the work of our State.

One of the field workers remarked to our
delegates at the closing session: "You Mason
county folks have added so much to this Con-
vention."

Next year Owensboro will entertain the Con-
vention and we hope to have it in Maysville in
1910.

Mr. and Mrs. Archie Lewis of the West End
will leave in a few days to take up their resi-
dence in Owensboro. Mr. Lewis has for sev-
eral years been a valuable employee of the
Standard Oil Company in this city, and his
careful and painstaking details of business, his

made him quite popular among the patrons of

templates going into the retail oil business at
Owensboro and his friends here wish him much
success in his venture.

HEAVY ORDERS

Expected Soon to Be Made For
Ohio River Boats

It is stated that specifications calling for
20,000 tons of sheet and structural steel are
very soon to be filed by concerns engaged in
the construction of steel barges and boats for
the Ohio river coal trade between the Pitts-
burgh District and Ohio river and Mississippi
river traffic that originates in and about Pitts-
burgh.

The water borne traffic on the Ohio river is
now running at the annual tonnage of 11,000,
000. One half the traffic is in coal, in which
interest the Pittsburgh District employs 500
boats and 7,500 barges.

The Monongahela Coal and Coke Company
employs 100 towboats and 3,000 barges in its

coal trade and carries 4,000,000 tons of coal
a year. The barges carry 600 tons each on a
draft of 6 feet 6 inches. The boats convey
950 tons each, and are chiefly used for traffic
from Pittsburgh to the Mississippi ports.

The total navigable mileage for this traffic
on and tributary to the Ohio river amounts to
4,400 miles.

Well Dressed for \$25 a Season

"I spend \$25 each year for a WOOLTEX suit and I'm always well dressed. Each suit gives me
two seasons' satisfactory service and after that I can still use it for rainy days."

WOOLTEX garments are a boon to the busy woman in another way. They are all so thoroughly
well tailored that they keep their shape. The pure wool materials do not need frequent pressing. The
lining does not rip; the hooks and buttons are sewed on to stay.

WOOLTEX styles are a help to the busy woman who has no time to waste in looking around. A
woman may feel certain that she is getting thoroughly good style in WOOLTEX, so distinctive that it will
be acceptable for a second season.

WOOLTEX prices are decidedly low for garments of such superior quality.

REPUBLICAN TICKET.

FOR PRESIDENT,
WILLIAM H. TAFT,
of Ohio.

FOR VICE-PRESIDENT,
JAMES S. SHERMAN,
of New York.

FOR CONGRESS,
Hon. JOSEPH B. BENNETT.

AMERICAN wage earners on the Panama Canal are sending home their savings of about \$300,000 a month. That is one of the results of Secretary Taft's success as an employer.

IT WAS TACITUS, the Roman historian, who said of Mr. ROOSEVELT's Batavian ancestors: "Others go to battle; these go to war." Mr. ROOSEVELT is always at war and the Democrats cannot fight him with confetti and flowers. —New York World, Dem.

No, Grandma! But WILLIAM JENNINGS is a mighty warrior with his mouth. In this the Peerless Hot Air One divides honors with Mr. OLLIE JAMES of Ky.

If any Bryan man has more money than he knows what to do with, here's a chance to get rid of some of it—or to double it.

THE LEDGER is authorized to post these bets:

- \$100 that TAFT will carry New York.
- \$100 that TAFT will carry New Jersey.
- \$100 that TAFT will carry Connecticut.
- \$100 that TAFT will carry Indiana.
- \$100 that TAFT will carry Illinois.

The party to take all the bets. Come on; the money is waiting for you.

WHEN old Kentucky tries to convict a white lawbreaker she has an awful job. Witness the attempt at Lexington to convict lawyer CHARLEY BRONSTON, who shot at Colonel MILWARD. He got off with a light fine for the offense, and a Jury refused to fine him for carrying a pistol, whereas a Nigger would have been given the limit in half an hour.

SENATOR T. P. GORE, Democrat, of Oklahoma, now a Bryan spellbinder, in a speech delivered at Dallas, Texas, in 1896, said:

"The trouble with the Democratic party is it is a party of statesmen without statesmanship, patriots without patriotism, heroes without heroism. Their policy begets farmers without farming, laborers without labor, freemen without freedom.

"The Fifty-second Congress had a Democratic majority of 148, and if it redeemed a single pledge, observed a single promise, kept a single command or discharged a single obligation made to the people of the United States I will quit the stump and retire from the canvass.

"The Fifty-second Congress was elected on retrenchment and economy, the free coinage of silver and the repeal of the McKinley Law. In the matter of economy that Congress exceeded the Republican \$1,000,000,000 Congress by \$40,000,000."

SOMETHING EXTRA "NICE."

City Nephew—Now, what sort of a show would you like to see, uncle?

Uncle—Why, one of them kind that the Preachers go to every chance, to git material for their sermons agin' theaters.

After a residence in the county for several months Mr. and Mrs. E. N. Forsythe have returned to the city and taken rooms at the New Central Hotel.

This woman says she was saved from an operation by Lydia E. Pinkham's Vegetable Compound.

Lena V. Henry, of Norristown, Ga., writes to Mrs. Pinkham:

"I suffered untold misery from female troubles. My doctor said an operation was the only chance I had, and I dreaded it almost as much as death.

"One day I read how other women had been cured by Lydia E. Pinkham's Vegetable Compound, and I decided to try it. Before I had taken the first bottle I was better, and now I am entirely cured.

"Every woman suffering with any female trouble should take Lydia E. Pinkham's Vegetable Compound."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

Chagley Davis of the Fifth Ward is the possessor of a fine setter dog with a pedigree as long as the moral law. The dog is a present from Mr. Frank Bayless, and was shipped here from Alexandria, Va.

Lee Gray, 9-year-old son of Bertie Lee Williams, colored, was taken this morning by Policeman John Bradford to the House of Reform, near Lexington, where he will remain five years by order of Court.

In the little school district of Mariba, in the edge of Menifee county, four schoolhouses have been burned by incendiaries since the beginning of the school term in July, the last one being burned last Sunday night.

In the cases of the village of Ripley against John E. Lyons, Judge Parrott last week affirmed the decisions of Mayor Williams. The cases grew out of the arrest of Mr. Lyons for refusing to comply with the orders of Council in regard to a coal landing at Ripley.

At Richmond, Va., the first execution under the new statute of Virginia which substitutes electrocution for hanging, took place in the Penitentiary Tuesday. The man to suffer the penalty was Henry Smith, a Negro, convicted of assaulting an aged lady of Portsmouth, and robbery.

The American electorate is not divided into groups to be handed over to candidates bodily by masters. That is true of the labor vote, the capitalist vote, the Jewish vote, the Christian vote, the negro vote, the white vote. There is no Pretorian guard on the quarter deck of our ship of state.

The explorations of Traveler Bryan into the enemy's country are giving him vivid impressions of its extent and hostility.

Bryan will be convinced for the third time in November that this country has got the habit.

"One step upon another and the longest walk is ended." The steady progress of Mr. Taft toward the White House, however, is quickening beyond the speed of a walk.

Georgians should vote for Bryan, even though they do not favor him personally, for the sake of the integrity of the Democratic party in this state.—Macon (Ga.) Telegraph. There is faint Democratic support for you!

Bryan cries out for the organization of Democratic clubs. There are precincts where they could not officer, much less man, such an organization.

A congressman returned to President Roosevelt a hat inadvertently borrowed, but Mr. Roosevelt is content, as is the country, that Mr. Taft shall step in his shoes.

Speech is silver, but the golden truths uttered by Judge Taft will maintain parity and maintain Republican doctrine as the sound basis of political value.

It is instructive to observe thousands of wage earners whose votes Gompers has assumed to "throw" to Bryan march in the Taft processions.

A murdering Filipino has been sentenced to pay a fine and to be executed. His feelings much resemble those of a Democrat asked for a campaign contribution.

Political revolutions cast shadows before. The Republican west, golden with sunshine and fat with harvests, throws no sinister portent of departure from its happy union with Ohio and New York.

Bryan is as shy about his abandoned issues as are some stars in the theatrical firmament about the matrimonial alliances they have severed.

What a present this time would be if the Bryan political theories of the past had been put into practice!

The prosperous farmers of this country must be sadly puzzled as to what Bryan is talking about when he says they have been "neglected."

Peace, order, prosperity and continued independence—these are worthy ambitions that Republican policy in the United States holds out to the sister republics of the continent.

The voters like the course that the ship of state is traveling. They are not going to change the control of the rudder.

Danderine

EVERYBODY CAN HAVE BEAUTIFUL HAIR NOW, and they don't have to wait weeks and months for results either. You will notice marked improvement after the very first application.

Grows Hair and we can PROVE IT!

Danderine is quickly and thoroughly absorbed by the scalp and the hair soon shows the effects of its wonderfully exhilarating and life-producing qualities. It is pleasant and easy to use—simply apply it to the scalp and hair once a day until the hair begins to grow, then two or three times a week till desired results are obtained.

A lady from California writes in substance as follows: "I have been using your wonderful hair tonic for several months and at last I am now blessed with a wonderful suit of hair that measures over 31 inches in length; the braid is over 8 inches around."

Another from New Jersey: "After using sixth bottle I am happy to say that I have as nice a head of hair as anyone in New Jersey."

This Great Hair-Growing Remedy can now be had at all druggists in three sizes, 25c, 50c and \$1.00 per bottle.

Free To show how quickly Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the Knott Danderine Co., Chicago, with their name and address and 10c in silver or stamps to pay postage.

A gentleman of this city, while walking along Second street Tuesday, picked up a blank note book. On one of the pages, written in a bold Spencerian feminine hand, was the following refrain, evidently the effusion of some school girl:

HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. TESTED AND PROVEN

There is a Heap of Solace in eing Able to Depend Upon a Well-Earned Reputation.

For months Maysville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit.

Mrs. John E. Burns, living in the Western part of Maysville, Ky., says:

"I value Doan's Kidney Pills just as highly today as when I gave a statement in their favor some years ago. Prior to their use I was subject to frequent attacks of kidney trouble. At times the pain in my back was so acute that I was rendered almost helpless and confined to my bed for days at a time. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the years which have elapsed I have had no serious return of kidney trouble. On some occasions I have felt a slight backache, but a few doses of Doan's Kidney Pills have never failed to ward off any serious trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Blue Stone Now or Smut Next Harvest

Proper treatment of seed wheat and oats with a proper quality of blue stone is a certain preventive of smut.

Smut is so expensive, and the blue stone treatment costs so little that it is folly to neglect it.

Another thing to be sure of is the quality of the blue stone, for unless this is all right all the labor and cost is vain.

You take no chances at all in getting your blue stone here. We test ours and guarantee the quality. The price is right, too.

**HAD QUIT WORK
READY TO GIVE UP IN DESPAIR**

Restored to Health by Vinol

"I was sick, run-down and finally had to give up work. After trying a number of remedies and several physicians, I was just about ready to give up in despair. I saw Vinol advertised and decided to try it, and it has done more good for me than all other means combined. It has built me up and restored my strength until I now feel twenty years younger, and am able to attend to my work again as usual." Job Jeavons, 1036 Lind street, Wheeling, W. Va.

The reason Vinol is so successful in such cases is because it contains tonic iron and all of the strengthening, blood-making and body-building elements of cod liver oil, but no oil. Vinol is unexcelled as a strength creator for old people, delicate children, weak, run-down persons, and after sickness—and is the best known remedy for coughs, colds and bronchitis.

We return your money if Vinol fails to give satisfaction.
